.....  
The Duathlon Standings scoresheets are linked below. I will try to update  
with new links every two weeks or sooner.

Possible reasons for your name not on the scoresheet :

- \* Must be a USAT member to score
- \* Master list of registered members through July 24th, 2008 will be scored until I get a updated list
- \* If you become a USAT member after July 24th, we will not go back a re-score your races
- \* If you registered at a race under a different name or nickname other than your USAT registration, you very well could be overlooked. I can not possible know everyones nickname, sorry
- \* if you see a error in scoring, please email me so I can get your score corrected

To all the Mideast Region Duathletes and all duathletes around the country. This will be our third year with this series and as you read, we have increased the amount of races in the series as well as a few rules that were edited for 2008. It will be an challenge to track all of you this year, but that is OK because we are committed to keeping this series alive.

For 2008 we also will have better awards for the overall winners as well as each age group winner.

With an aggressive schedule and many duathletes on our Team Elite, I believe we will start seeing an increase of news for all to read. So please continue to visit this webpage for season updates and duathlon news.
