

2014 USAT-Sanctioned Paratriathlon Friendly Designation

Reapplication

Instructions: Thank you very much for filling out the 2013 application and having your race certified as "Parafriendly". We hope this was a good experience for you and that you are interested in having your race be part of the 2014 list of Parafriendly Races.

Please submit the completed application to the Paratriathlon Committee Vice-Chair, Keri Serota, at Keri@dare2tri.org.

Before you can receive this designation again you must have a fully-completed sanction application within the USAT Sanction system.

Once applications are received please allow 2 weeks for the Paratriathlon Committee and the USA Triathlon National Office to review your application.

If your race is selected to receive the Paratriathlon Friendly Designation again, then you will receive the 2014 special logo to add to your website and you will also go into the running database on Paratriathlon Friendly events that the athletes can access.
