Director and Coaches Symposium

The symposium is a great opportunity for race directors and coaches to meet and network with peers across the Mideast and Midwest Regions, engage with USA Triathlon personnel, speak one-on-one with various multisport vendors, and become informed on various issues and trends facing the multisport industry. Our new format consists of breakout sessions tailored specifically for race directors and coaches. See our website [www.usatmideast.com/race-directors/](http://www.usatmideast.com/race-directors/) for the agenda.

Breakfast and lunch are included along with continuous snack and beverage breaks throughout the day. The number of credit hours (CEU's) awarded is pending at this time. Check our website [www.usatmideast.com/race-directors/](http://www.usatmideast.com/race-directors/) for current information.
